Welcome to Elkridge Elementary School!

The Elkridge Three :

- Be Safe
- Be Respectful
- Be Responsible

The E.E.S. Pledge

Today at Elkridge
I pledge to
Be Safe
Be Respectful
and
Be Responsible.

This will help
my class
my school
and me
Be the best that
we can be.

Why PBIS?

- The staff of Elkridge Elementary School encourages students to show good behavior in all aspects of their daily learning. When students exhibit good behavior they are more available to learn.

Hence...

- EES has joined many other schools around Howard County and the state of Maryland and is a PBIS school (Positive Behavioral Interventions and Supports).
- We are taking a *positive* approach by *giving* recognition for positive behaviors. We are creating a learning environment where all can achieve.

EES students who are “On Track”:

- follow the Elkridge Three because that’s the way to be.
- demonstrate our character education values.
- exhibit report card assessed learning behaviors.

Tickets are earned for demonstrating the Elkridge Three and can be used for:

- individual rewards
- class rewards

Weekly, one student from each classroom will earn the privilege of being an EES track star.

Track stars will:

- be photographed with Elkster.
- have their picture published in the e-newsletter.
- have their names listed in the parent bulletin.
- proudly wear a medal at school for the week.
