# Elkridge Elementary

## August 28, 2016

We are looking forward to our students' arrival on Monday, August 29! We are excited for Monday and are anxious to get the year off to a great start.

As promised, please see below a status update of the work being performed here at Elkridge Elementary as a result of Howard County Government hiring an independent contractor to conduct an assessment of our school's air quality in June.

EES Recommendations	Status Update August, 26, 2016
A reassessment of portables 77, 110, 155 and 159 using a moisture meter to identify any building materials exhibiting elevated moisture content.	In progress
A reassessment of the art and music rooms, boiler room, and staff lounge using a moisture meter to identify any building materials exhibiting elevated moisture content.	Completed
If these readings identify elevated moisture levels then walls and/or ceilings should be opened up to visually inspect and determine if hidden mold growth exists.	Completed
To replace stained ceilings/ceiling tiles.	Completed
To identify and correct the source(s) of the water causing the	Completed

**Anchor** As a reminder, our building services staff has these recommendations and will be implementing all of them. Status updates will be provided every Friday, as the recommendations remain “in-progress.” If you would like to read the entire list of recommendations and supplemental information provided by the contractor, they can be found on our school’s website under About – Indoor Environmental Quality.

Our goal remains to assure that our building and our portables are safe for students and staff. We are looking forward to seeing our students on Monday, August 29.

Sincerely,

Michael Caldwell

Principal
