### FROM THE DESK OF THE PRINCIPAL

I would like to wish all our Elkridge Elementary families a very Happy and Healthy New Year! I hope everyone had a wonderful winter break and 2015 has started well for you and your family. Here at Elkridge the students and staff are right back into the swing of things, and I have been very impressed with the quality of teaching and learning that have been taking place.

I want to highlight a few events that are coming up in the next couple of weeks. Tomorrow, Saturday, January 10<sup>th</sup> there is a PTA Restaurant event at the Applebee's in Laurel from 8:00 am to 10:00 am. The staff and I look forward to serving up a delicious pancake breakfast to our students and their families! Our winter stings concert is on Monday, January 12<sup>th</sup> at 7:00 pm. and our winter band concert is Tuesday, January 13<sup>th</sup> at 7:00 pm. On Monday the 19<sup>th</sup>, schools and offices are closed for the observance of Martin Luther King Jr. Day. On Thursday, January 22<sup>nd</sup>, we will have a three-hour early dismissal for a Professional Work Day. Students will be dismissed at 12:55 pm. Finally, Friday, January 23<sup>rd</sup> is the end of the second marking period with a three-hour early dismissal at 12:55 pm.

With many more cold days ahead of us, I want to remind everyone to check the weather forecast daily to ensure that our children are appropriately dressed. Please make sure your child has a winter coat, hat, gloves, etc. Outdoor recess occurs daily with the exception of inclement weather. In the event of unexpected delays and/or closings due to inclement weather, please remember that information will be shared with the community through the following: the school system's website ([www.hcpss.org](http://www.hcpss.org)), HCPSS News emails alerts, and the school system's cable TV Comcast 95 or Verizon 42.

Debra Anoff, Principal

### Winter MAP Testing

MAP testing will continue in January with the reading assessments. The testing will not impact our school-wide schedule because students will take the assessment during students' designated reading times. Below is a schedule that we will follow.

1/12 – 1<sup>st</sup>, 2<sup>nd</sup>, & 3<sup>rd</sup>

1/13 – 1<sup>st</sup>, 2<sup>nd</sup>, & 3<sup>rd</sup>

1/14 – 4<sup>th</sup> & 5<sup>th</sup>

1/15 – 4<sup>th</sup> & 5<sup>th</sup>

1/20 – 1/22 (Make-up Testing)

### Music News

Dear Parents of 3rd, 4th, and 5th Grade Students,

This is a reminder that all students are required to have a recorder to use in music classes and the deadline for ordering them was today but we are extending the deadline to Friday, January 16. Recorders are \$4.

Students who are using one from home should bring them into school as soon as possible to keep in music class for the next several weeks.

If you have questions or need assistance purchasing a recorder, please contact Ms. Carrie Loughry at school or by email at [cloughry@hcpss.org](mailto:cloughry@hcpss.org).

Thank you,  
Ms. Carrie Loughry  
General & Vocal Music Teacher

### **Notes from the Nurse:**

**We are currently in flu season!** This is a reminder that good hand washing and covering sneezes and coughs with tissues and sleeves are essential steps to preventing the spread of "germs." Also, remember that despite concerns about school attendance, your children's health (and the health of other children) is most important of all. For this reason, we ask you to please:

- **Call the school nurse to let us know if your child is absent with a contagious illness such as strep throat, or the flu etc.** Please provide any documentation from your physician about diagnosis and release to return to school. (Ear and sinus infections, while often a reason for keeping a child home, are usually not contagious.)
- **Keep your child home if he/she has a fever of over 100.0.** A fever indicates that your child has an infection that could be passed to other students. If you give your child Motrin or Tylenol, the fever will, of course, disappear but he/she will still be contagious to others. **Children must be fever-free for 24 hours (without medication) before returning to school!**
- **Have your children wash their hands properly after using the restrooms and prior to eating.**

Thank you very much for helping keep all our students healthy!

### **Medications in School:**

- The health room must have a doctor's order and parent signature for all medications (even over the counter). The medication must be kept in the health room and be in the original container and have the pharmacy label (if a prescription med) on it. All medications should be transported to school by a parent, the students are not permitted to carry the medications.
  - Medicated cough drops are considered a medication and must have a doctor's order and follow same policies as above.
  - Non-medicated cough drops (pectin based like Halls Breezers) should be limited to no more than 3 per day for no longer than 5 school days. They may be administered at school with parent permission and specific instructions in writing that include the name of the product, reason for administration, amount and frequency of administration. Product must be provided by parent and stored in the health room.
  - Other non-medications such as (food supplements, lotion, sunscreen and contact lens solution) may be administered at school with parent permission and specific instructions in writing that include the name of the product, reason for administration, amount and frequency of administration. Product must be provided by parent and stored in the health room.
- 

### **Clothing:**

Parents - The Health Room no longer is able to stock extra clothing for accidents or spills. Please provide a seasonal change of clothes for your child to keep in school (either in their backpack or cubby in homeroom).

### **January Counselor Corner**

In January, Elkridge Elementary is promoting the Character Trait of Acceptance. Acceptance means to recognize, and appreciate the many ways that people are different and alike.

We teach students that learning about differences with an open mind and an open heart can mean making new friends and trying out new things. We teach students that no matter what religion you practice, language you speak, what you look like, and any other way we are different... ALL people have feelings, want friendship, and deserve compassion.

One influential leader that spoke about accepting others is Dr. Martin Luther King Jr. We remember Dr. King on January 19, 2015. All HCPSS will be closed. An engaging family activity could be to answer the call to the MLK Day of Service.

---

### **What is the MLK Day of Service?**

Each year, Americans across the country answer that question by coming together on the King Holiday to serve their neighbors and communities. The MLK Day of Service is a part of *United We Serve*, the President's national call to service initiative. It calls for Americans from all walks of life to work together to provide solutions to our most pressing national problems. Please see the below web page for ideas of community service projects for your family.

### **Bus Safety**

The safety of your child/children is of utmost importance to us. Recently it has been brought to the attention of our staff that the behaviors of a number of students on several busses are not conducive to the Howard County Code of Conduct, or the expectations of the students at Elkridge Elementary. Please talk to your child/children to remind them of their responsibility to keep themselves, and others, safe while riding the bus. Thank you for your support!

## **SPORTS**

### **Howard County Recreation and Parks**

The Howard County Lacrosse Program (HCLP) is currently accepting registration for the spring season. This program offers the opportunity for children ages 5-14 to learn and play the game of lacrosse. Children from the same schools are teamed together while keeping talent levels even. Because of this, practices will be located close to where you live. If your 5-8 year old does not have equipment, we will provide you with all of the pads they may need for the low cost of only \$40 for the entire season. The price is \$155 per child before Jan. 16, and \$185 per child after that date. For any more information please visit [www.hclacrosse.com](http://www.hclacrosse.com) or contact Derrick Thompson at 410-313-4736 or [dethompson@howardcountymd.gov](mailto:dethompson@howardcountymd.gov) for more information.

### **HCYP**
